

## **The IP Learning Internship Programme**

### **The Internship Programme**

IP Learning is a leading provider of legal training courses in Hong Kong.

We teach a range of courses including the IP Learning Preparatory Course for the Overseas Lawyers Qualification Examination and the IP Learning Preparatory Course for the Conversion Examination for PCLL Admission.

We have a limited number of places available for undergraduate students on our Internship Programme. The Internship Programme will be of particular value to students intending to qualify as Hong Kong lawyers.

### **The Advantages to You of the IP Learning Internship Programme**

Participation in our Internship Programme will allow you to acquire knowledge and skills directly relevant to the Postgraduate Certificate In Laws (“PCLL”) Course which intending Hong Kong lawyers are required to undertake before qualification. During the Internship Programme, you will work with some of Hong Kong’s leading academics and practising lawyers and will learn from them the key concepts of substantive and procedural law that will form the basis of the studies in the PCLL Course. This will give you an advantage when you start the highly competitive PCLL Course.

If you are already qualified as a lawyer outside Hong Kong, participation on our Internship Programme will assist you to prepare for the Hong Kong Overseas Lawyers Qualification Examination which is the route to admission as a Hong Kong solicitor.

You will also gain experience in a commercial environment and will develop invaluable contacts in the Hong Kong legal market. Participation in the Programme will also give you the opportunity to obtain a good reference for your future career. You will also receive a monthly payment.

### **How to Apply**

Please apply by sending a CV to [jobs@ip-learning.com](mailto:jobs@ip-learning.com). If you have any queries, please telephone us on +852 2858 1000.

We have vacancies on the Internship Programme during the university vacations. There is no formal deadline for application. However, early application is recommended as the number of places is limited.
